

# WHAT IS STORMWATER? WHY SHOULD YOU CARE? WHAT CAN WE DO ABOUT IT?

**May 23, 2006, 7-9 pm**  
**Farmington Public Library Community Room**

The Farmington River Watershed Association, the Town of Farmington and UConn-NEMO are hosting a workshop to educate citizens on how to reduce Stormwater Runoff pollution!

Please come and learn about:

- Stormwater Basics
- Residential Landscaping Tips
- Rain Gardens & Rain Barrels
- Water Conservation in the Home & Outdoors
- Reducing Impacts on the River & Wildlife
- Jordon Cove Project: A Case Study of Low-Impact Development

**Organic Lawn Care**

**Water Saving Tips**

**Rain Gardens**
